TSX EXCHANGE PFB

PFB Corporation to Acquire Advantage Wallsystems

Calgary, Alberta - December 19, 2002 PFB Corporation (TSX Exchange PFB), today announced that it has made a proposal to acquire Advantage Wallsystems on the basis of one share of PFB Corporation in exchange for 50 shares of Advantage. PFB Corporation will issue approximately 211,700 common shares to Advantage shareholders in exchange for their Advantage shares under the proposal. The transaction is subject to review by an independent committee of Advantage directors, the approval of the directors and shareholders of each company and all applicable regulatory bodies.

PFB Corporation presently owns 7,500,000 Advantage shares (41.5%) and is the exclusive manufacturer and supplier of patented Advantage insulating concrete forming products to Advantage. The Advantage insulating concrete forming system brand will be assimilated as an operating unit of PFB Corporation

Advantage Wallsystems Inc. (formerly Roxi Capital Corp) owns a patented insulating concrete forming system that it distributes to the residential and commercial building industry in Canada. It is a publicly traded company listed on the TSX Venture Exchange, symbol ICF.

PFB Corporation operates plastic foam businesses throughout Canada which manufacture building products for the construction industry principally under its Plasti-Fab brand name. It is a publicly traded company listed on the Toronto Stock Exchange, symbol PFB.
